**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

The polls will be open from 10:00 a.m. to 6:00 p.m.

To the inhabitants of the Town of Strafford in the County of Strafford in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Strafford Elementary School in said Strafford on Tuesday, the Eighth (8) day of March, next at 10:00 a.m. of the clock in the forenoon, to act upon the following subjects:

- *** 1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to amend the Zoning and Land Use Ordinances pursuant to RSA 675 as proposed by the Planning Board, as follows:
1. To amend Section 1.3.4. to agree with and include reference to the New Hampshire state statutes concerning the Excavation of Earth:

“1.3.4. Except for the purpose or in connection with the construction of a building for which a building permit has been issued, or for grading on the same site with material removed, or for other non-commercial uses no person shall remove sod, loam, sand, gravel, clay and stone without first obtaining a permit from the Board of Selectmen in accordance with the existing laws of the State of New Hampshire, Reference--RSA 155-E as amended. No permit will be granted without there first being a public hearing. Said hearing to be held no later than thirty (30) days from the date of application for said permit. A permit will only be granted with a restriction that the site shall be restored through landscaping and revegetation.”
 2. To amend Section 1.3.5. by changing it to read as follows:

“1.3.5. No permit to build will be issued by the Building Inspector or Selectmen until a scaled plat, or plan, showing the location of the structure or house, appurtenances and water and sewage systems in relation to the property lines and distance from property lines to any buildings on adjacent lots is presented with the application for the permit, and no building permit shall be issued without a driveway permit. No occupancy shall occur until all Town regulations are met, as certified by the Building Inspector or the Selectmen.”

3. To amend Section 1.3.6. by changing it to read as follows:

“1.3.6. No building or land shall hereafter be used and no building or part thereof shall be erected, moved, or altered except in conformity with the provisions of this Ordinance. Storage sheds up to one hundred (100) square feet not on permanent foundations shall not require a building permit, but shall be located in conformity with the provisions of this Ordinance requiring minimum setback distances.”
4. To amend Section 1.4.1. B, Land Requirements, to read as follows:

“1.4.1. B Front Yard--Between the boundary of the nearest highway or street right-of-way and the extreme front of any building, there shall be a distance of not less than forty (40) feet. A building on a corner lot is considered to have two front yards.”
5. To amend Section 1.4.1. C, Land Requirements, as follows to agree with current Town of Strafford Subdivision Regulations:

“1.4.1. C Side and Back Yards--A building shall not be located nearer than twenty-five feet of the property lines of any abutter and not nearer than fifty feet from any structure on an abutter's property of from any wetland, as defined by RSA 483-A: 1-a (II).”
6. To amend Section 1.6.3, Mobile Homes, by changing it to read as follows:

“1.6.3. Building codes including plumbing, heating, and electrical systems in mobile homes brought into the Town of Strafford shall, except as otherwise provided by law, be in accordance with the requirements of the 1976 Federal Mobile Home Construction and Safety Standards, as amended, which are hereby adopted and made part of this ordinance.”
7. To amend Section 1.11.1 as follows to agree with the provisions of the New Hampshire state statutes:

“1.11.1 Every person, persons, firm or corporation convicted by an authorized court having jurisdiction for the violation of any of the provisions of this Ordinance shall be subject to penalties in accordance with RSA 676:17.”
8. To amend Section 1.16, Subdivision Roads, by changing Section 1.16.1 as follows to clarify the procedures for the acceptance of new Town roads, and by eliminating Section 1.16.2:

“1.16.1 Roads in subdivisions approved after September 8, 1970, may be presented at the annual Town Meeting for

approval and acceptance by majority vote of the Town as Town roads upon said application, providing they meet all criteria and after having been inspected by the Selectmen and the Road Agent to ensure that current Town of Strafford standards have been met (Reference--Subdivision Regulations Article 2.6.5. G) and that said road being considered for approval connects with an existing Town road."

3. To see if the Town will vote to amend the Building Regulations pursuant to RSA 675 as proposed by the Planning Board, as follows:

1. To amend Section 4.1.7, Enforcement, as follows to agree with the provisions of the New Hampshire state statutes:

"4.1.7 Upon any well-founded information that this Ordinance is being violated, the Selectmen shall, on their own initiative, take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in Superior Court or by any other appropriate legal action. Whoever violates any of these regulations shall be subject, upon conviction, to penalties in accordance with RSA 676:17."

2. To amend Section 4.2 to clarify the procedure for obtaining a permit to build or repair a dock or pier and to make it agree with New Hampshire state statutes:

"4.2 Motion by Albert Leighton that anyone wishing to build a dock or pier be required to obtain a permit from the Selectmen. Seconded and voted in the affirmative. Anyone anticipating building or repairing a dock or pier shall also be required to obtain a permit for dredge and fill in wetlands from the New Hampshire Wetlands Board pursuant to RSA 483-A: 1."

4. To see if the Town will vote to adopt a revised Section 4.4, Subsections 1 through 8 inclusive, FLOODPLAIN DEVELOPMENT REGULATIONS of the Building Regulations for the Town of Strafford, repealing and replacing in its entirety the existing Section 4.4, as proposed by the Planning Board? Revision of these regulations is required in order for Strafford to continue participation in the National Flood Insurance Program. Floodplain regulations pertain only to buildings located, moved, or altered within the designated floodplain areas.

5. To see if the Town will vote to amend the Zoning and Land Use Ordinance and Building Regulations for the Town of Strafford by updating references to the New Hampshire Revised Statutes Annotated

***NOTE: ALL ARTICLES EXCEPT NO. 1, 2, 3, 4 AND 5 WILL BE TAKEN UP AT 8:00 P.M., TUESDAY, MARCH 8, 1988 AT THE ELEMENTARY SCHOOL.

as amended wherever they appear in said ordinances and regulations, as proposed by the Planning Board. The amendment will update the original RSA references by adding the appropriate recodified RSA Chapter and Section numbers. Recodification of the RSA Chapter references in no way affects the intent of the ordinances.

6. Shall we adopt the provisions of RSA 72:1-C which allows for discontinuing access, levy and collecting of a resident tax? (Vote by paper ballot required)

7. Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and building for unpaid taxes. (Vote by paper ballot requires)

8. To see if the Town will raise and appropriate \$159,000 for capital improvements to the following roads:

- a. First Crown Point Road: approx. 4250' (paving only) at base of Blue Job Mountain.
- b. Sloper Road: approx. 800'-1,000' (ditching work and shim paving)
- c. Dump Road: clear ditches, shim and pave
- d. Caverly Hill: approx. .6 mile (excavation, gravel, C.B.R. and paving).

9. To see if the Town will raise and appropriate \$20,000 to be placed in Capital Reserve Fund as previously established for the future purchase of a fire truck.

10. To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA 35 for the future purchase of an ambulance and raise and appropriate the sum of \$10,000 for this purpose.

11. To see if the Town will raise and appropriate the sum of \$15,000 to purchase a defibrillator/cardiac monitor and provide the Rescue Team with training for its use.

12. To see if the Town will vote to raise and appropriate the sum of \$2,000 for alterations to be done on the Town Clerk/Tax Collector's office.

13. To see if the Town will vote to raise and appropriate the sum of \$4,300 for the restoration of Town Clerk's historical records.

14. To see if the Town will vote to raise and appropriate the sum of \$21,000 for the purchase of a computer system, training and supplies.

15. To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA 35 for the future purchase of recreation land and raise and appropriate the sum of \$2,500 for this purpose.

16. To see if the Town will vote to raise and appropriate the sum of \$1,000 to establish a Capital Reserve Fund for the Conservation Commission under RSA 36-A: 5, for the acquisition of conservation land or interests in land or related costs, the principle and/or interest said fund may be spent at the discretion of the Conservation Commission.

17. To see if the Town will authorize the Selectmen to accept private donations of land, interest in land, or money to be deposited into the conservation fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said donated funds and state matching funds may be expended at the discretion of the Conservation Commission. (This article would allow Strafford to participate in the Trust for New Hampshire Lands program).

18. To see if the Town will vote to raise and appropriate the sum of \$7,500 to donate to the Strafford Historical Society to help defray cost of moving the building a/k/a Waldron Store a/k/a Jewel's Store or Union Hall from present location to permanent site across from Fire Station in Bow Lake (Map 29, Lot 7-1).

19. To see if the Town will vote to raise and appropriate the sum of \$517,934 for general town operations.

TOWN MEETING - MARCH 10, 1987

The meeting was called to order at 10:00 a.m. by Moderator Russell Shillaber in the Strafford Elementary School, for the purpose of selecting necessary Town Officers for the ensuing year, by ballot vote. The balloting was closed at 6:00 p.m., and the business meeting was called to order at 8:00 p.m.

The Moderator opened the meeting by declaring he was conducting the meeting according to "The Modified Roberts Rules". He announced a special rule, whereby any warrant article disposed of by postponement or tabling with no final action, will not be reconsidered during this meeting.

Article 1. To choose all necessary Town Officers for the year ensuing:

Registered voters	1,312
Votes cast	306
Selectman - Three years	
Joanne Brown	227
Selectman - Two years	
Gloria Creamer	184
Harry Ernst	105
Tax Collector	
Marilyn Roderick	66
Marjorie Stiles	44
Auditor	
Stephen Seeman	249
Road Agent	
Radford Messenger	259
Trustee of Trust Funds - Three years	
John Caldwell	3
Bernice Omand	3
(Both were write-ins and Bernice Omand declined)	
Library Trustee - Three years	
Katrina Rhodes	261

Article 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriation of same.

The Moderator asked if there were any objections to voting this article at the end of the meeting and when no objections were heard, he declared the article passed.

Article 3. To see if the Town will raise and appropriate \$185,000 for Highways and Bridges.

Selectman Huckins explained that the extra \$10,000 over last years amount was because of the excessive cost of snow removal in January

and February. There was no discussion and vote was in the affirmative.

Article 4. To see if the Town will raise and appropriate \$75,000 for capital improvements to the following roads:

A. Reconstruct approximately .7 miles of the First Crown Point Road at the base of Blue Job Mountain.

B. Tar 1,000 feet of the Leighton Corner Road.

C. To lengthen 6 culverts at different points within town for safety reasons.

D. Remove a hump on the Rickey Nelson Road (Dump Road) and one on Second Crown Point Road, for safety reasons.

After a brief discussion, vote was in the affirmative.

Article 5. To see if the Town will raise and appropriate \$18,000 for the operation and maintenance of the Police Department.

After a brief discussion, vote was in affirmative.

Article 6. To see if the Town will raise and appropriate the sum of \$7,000 to be added to the \$6,000 raised under Article 5 in 1986, to be used for the purchase of a new cruiser complete with lights and radio for the Police Department.

After brief discussion, vote was in the affirmative.

Article 7. To see if the Town will raise and appropriate the sum of \$1,500 for the purchase of a radar unit for the Police Department.

Robert Bridges made an amendment to increase the amount to \$2,000 to allow for training personnel to use the unit. The motion was seconded and the vote on the amendment was in affirmative. After discussion, vote on the article as amended was negative.

Article 8. To see if the Town will raise and appropriate \$14,554 for the operation and maintenance of the Strafford Fire Department and Rescue Squad.

Lester Huckins explained an error in the amount of the appropriation amount printed in the Warrant. The correct amount to be voted on is \$14,954. After a brief discussion, vote was affirmative.

Article 9. To see if the Town will raise and appropriate \$1,200 for equipment. (3 smoke ejector holders, 100' of 4" hose in 25' lengths, 1 smoke ejector).

After brief discussion, vote was in affirmative.

Article 10. To see if the Town will raise and appropriate \$5,576 to pave the Bow Lake and Center Strafford Fire Station Driveways.

No discussion, vote in affirmative.

Article 11. To see if the Town will raise and appropriate \$20,000 to establish a Capital Reserve Fund for the future purchase of a fire truck.

No discussion, vote affirmative.

Article 12. To see if the Town will raise and appropriate \$8,548 as the

Town's share of the cost of providing ambulance service by the Center Barnstead Fire Department.

After discussion on necessity, vote was in the affirmative.

Article 13. To see if the Town will vote to form a committee of 3 to study the ambulance and rescue needs of the Town. The committee to be made up of 1 member each from the Rescue, Fire and Police Departments, and appointed by the Moderator to report to the Selectman by November 1, 1987.

After brief discussion, vote was in the affirmative.

Article 14. To see if the Town will raise and appropriate \$7,459 for the support of the Rural District Health Council.

No discussion, vote in affirmative.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$5,500 to be paid to the Strafford Regional Planning Commission for technical assistance and development of a revised Master Plan pursuant to RSA 674:1, I.

Jack Creamer addressed the Master Plan uses and explained that our old Plan is inoperative. There was no discussion, and vote was affirmative.

Article 16. To see if the Town will vote to establish, under RSA 31:19-a, a non-lapsing Trust Fund, to be held by the Trustees of the Trust Funds, for purposes of holding fees paid by applicants to the Planning Board. The Planning Board shall have the discretion to spend the principal and/or interest in accordance with any requirements in a Board's decision or an agreement made with an applicant including, but not limited to technical assistance and studies necessitated by an application, off site improvements, etc.

No discussion, vote in affirmative.

Article 17. To see if the Town will raise and appropriate \$500 for the support of the Conservation Commission.

No discussion, vote in affirmative.

Article 18. To see if the Town will authorize the Conservation Commission, under RSA 36-A:5, to put unexpended Conservation Commission Appropriations into a Trust Fund to be held by the Trustees of the Trust Funds pursuant to 31-19A. The principal and/or interest from this fund can be spent for conservation purposes at the discretion of the Conservation Commission.

No discussion, vote in affirmative.

Article 19. To see if the Town will raise and appropriate \$10,059 for the operation and maintenance of the Strafford Library.

No discussion, vote in affirmative.

Article 20. To see if the Town will raise and appropriate \$6,000 for the

support of the Recreation Commission.

No discussion, vote in affirmative.

Article 21. To see if the Town will raise and appropriate \$8,000 for Public Welfare.

No discussion, vote in affirmative.

Article 22. To see if the Town will raise and appropriate \$65,000 to operate and maintain the Town's waste disposal system.

No discussion, vote in affirmative.

Article 23. To see if the Town will authorize the Selectmen to withdraw and use \$15,000 from the Recycling Center Capital Reserve Fund for the purpose of construction of a culvert to divert surface water around the landfill area of the Recycling Center.

No discussion, vote in affirmative.

Article 24. To see if the Town will vote to instruct the Town's Representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant or any other nuclear plant shall be stored or disposed of within this Town of Strafford unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the Annual Town Meeting by written ballot.

No discussion, vote in affirmative.

Article 25. To see if the Town will raise and appropriate \$600 as a donation to Bow Lake Community Club to help defray the cost of the 4th of July fireworks.

No discussion, vote in affirmative.

Article 26. To see if the Town will raise and appropriate \$850 to help defray the cost of the continuing water quality testing program for Bow Lake being conducted by UNH for the Bow Lake Camp Owners Association.

No discussion, vote affirmative.

Article 27. To see if the Town will raise and appropriate \$300 for the observance of Memorial Day.

No discussion, vote in affirmative.

Article 28. To see if the Town will raise and appropriate \$500 for the support of the Strafford County Community Action Program.

No discussion, vote in affirmative.

Article 29. To see if the Town will authorize the Selectmen to engage an outside Certified Public Accountant audit for the Town for 1987, and raise and appropriate \$4,500 for the same.

No discussion, vote in affirmative.

Article 30. To see if the Town will approve and appropriate money for a change in the Town Tax Collector's salary from \$3,200 to \$4,200 per year.

No discussion, vote in affirmative.

Article 31. To see if the Town will vote to authorize the Selectmen to accept 11.92 Acres more or less of wetlands at Spruce Pond, from Earl L. Kalil, Jr., by request of the Planning Board and to be under the control of the Conservation Commission.

After brief discussion, vote in affirmative.

Article 32. To see if the Town will authorize the Selectmen to accept the land used in the widening of the Leonard Caverly Road, as agreed with the Planning Board from Renee' C. Wormell.

No discussion, vote in affirmative.

Article 33. To see if the Town will vote to accept as a public road, Lorraine's Lane in Walton's Woods Development, approximately 375' in length, when road meets all Town road standards.

After lengthy discussion, vote was in the affirmative.

Article 34. "That any meeting held by a Town officer, Selectman, Moderator, Chairman of a board, Chairman of a commission, or any sub-committee thereof, SHALL conduct such meetings as outlined by the 'Roberts Rules of Order.'" (by petition)

After lengthy, heated discussion, a motion to move the question was received and seconded. Vote was in the affirmative. Vote on motion as read was negative.

Article 35. "That any taxpayer who shall pay their assessed property tax within ten (10) days of the billing date of said assessed property tax, shall enjoy a 2% relief of the total amount of taxes due by them." (by Petition)

After lengthy discussion vote was negative.

Article 36. "In an effort to help protect the natural beauty of the area roads, and further to help protect the lifestyle of the inhabitants of the Evans Mountain area, we the undersigned petition the Town of Strafford, New Hampshire, to have the following roads designated as scenic pursuant to RSA 231:157:

Parson Hill Road (a/k/a Parson Road, Old Swain Road), being a road running from its northerly intersection of Route 126 thence running southerly to its end at the intersection of the Evans Mountain Road.

Willey Pond Road, being a road running from the intersection of the Parson Hill Road on the west, to its easterly terminus at Willey Pond.

Evans Mountain Road, being a road running from Barnstead/Strafford Town Line at its westerly end, and being Near the terminus of Bow Lake Road, thence running easterly over Evans Mountain Road to Bow Lake at its easterly terminus." (by Petition)

After lengthy discussion, a motion by Duncan Chaplin to move the question was received and seconded. Vote on motion to move was in the

affirmative.

Vote on article as read was in the affirmative.

Article 37. To see if the Town will Authorize the Selectmen to apply for, accept and expend money from the State, Federal, or other governmental unit or a private source which becomes available during the year in accordance with procedures set forth in RSA 21:95b.

No discussion, vote in affirmative.

Article 38. To see if the Town will vote to authorize prepayment of residence taxes and to authorized the Tax Collector to accept prepayments as provided by RSA 80:1a.

No discussion, vote in affirmative.

Article 39. To see if the Town will vote to Authorize the Selectmen to convey property or tax liens acquired by the Town by Tax Collector's Deed, by public auction, or advertised sealed bid or in such other manner as determined by the Selectmen or as justice may require.

No discussion, vote in affirmative.

Article 40. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

No discussion, vote in affirmative.

At this point, Article 2 was returned to the floor.

Article 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for same.

Lester Huckins made the motion that \$125,442 be raised to defray Town expenses for the ensuing year. The motion was seconded and the vote was in the affirmative.

Article 41. To transact any other business that may legally come before this meeting.

Fred Shiere, as President of the Historical Society, addressed the body concerning the organizations ambition to save the Waldron Store Building because of its historical background. Mr. Shiere made a plea for all citizens to help preserve this old building. It can be purchased from the State, but land and cash donations are needed if we hope to preserve it. His plea was accepted with a hearty round of applause.

Bob Evans made the motion that the body give a vote of thanks to Marjorie Stiles for doing a top job in her years of service to the Town as Tax Collector. After a round of applause, the Moderator asked if he might amend the motion to direct the Clerk to send Mrs. Stiles a letter of thanks with a copy of this motion made in her honor, by the townspeople. Mr. Evans accepted the amendment to his motion, it was seconded and received arousing vote of approval.

Penny Schroeder asked if the Selectmen had addressed the request made by Calvin Schroeder at last year's Town Meeting. Neil Mooers answered that it had been addressed by the Selectmen.

Walton Stiles asked that a committee be formed to stop developers in the Town, but his suggestion never became a motion.

At this point the Moderator asked for further business, and there being none, a motion to adjourn was received and seconded. The vote was affirmative and the Moderator declared the meeting adjourned at 10:56 p.m.

A true record, attest:

Billye M. Waldron
Town Clerk

STRAFFORD LIBRARY ASSOCIATION

The Strafford Library Association, Inc. has decided to add on a room 32 ft. by 24 ft. to Hill Library which will approximately double the space available. The group, owners of the building, feel that the town growth dictates expansion of the present facilities.

Finance and building committees have been appointed and are at work. Initial plans for the new room have been made. Money-making ideas are being put into practice. Letters will go out to people seeking contributions.

Donations are being received and being added to the building fund. The group would like to see donations and involvement, small and large, from many townspeople.

Many patrons appreciate the town library and feel it is especially fine for a small town.

The Strafford Library Association welcomes interested people into its membership. Dues are only \$2.00 per year.

Under the SLA umbrella are two memorial funds: the Jane B. Huckins Memorial Fund for town programs and the Lena Leighton Memorial Fund, interest used to purchase books of historical interest for the shelves of Hill Library.

The present officers are Phyllis Blodgett, Treasurer; Sheila Rainey, Secretary; Betty Stiles, Vice-President; and Bernice Omand, President. The Auditor is Betty Varney and the Chairman of the Jane Huckins Memorial Fund is Anne Tabory.

Contact any of the above for further information and for membership.

Bernice Omand

RURAL DISTRICT HEALTH COUNCIL, INC. ANNUAL REPORT 1987

During the past year the Rural District Health Council has continued to provide Home Health Care for the sick and preventive medicine to the youth of today who will be healthier leaders tomorrow.

The agency continues to qualify as a certified Home Health Agency, providing your town with skilled nursing, physical therapy, occupational therapy, speech therapy, medical social worker, home health aide and homemakers; a comprehensive hospice program certified by Blue Cross and G.E. Insurance. The staff has made to date 5,959 visits. A 24-hour answering service is available with a nurse on call 24-hours a day, 7 days a week with home visits made as indicated.

An elderly maintenance health program funded in part by the Division of Elderly and Adult Services and the Rural District Health Council has 239 patients enrolled in the program, which includes health counseling, blood pressure monitoring, diet teaching, and blood testing of diabetes. 550 visits have been provided with 267 influenza shots given.

The child health program has an enrollment of 461 children from ages 0-6 years. This includes physical examinations, immunizations, growth development and counseling. The program works closely with the school nurses. 31 school children received immunizations this year. There have been 783 children seen at clinic with 597 home visits made. The dental program, funded in part by the Bureau of Dental Health and the Rural District Health Council provided 186 children from the ages 3-6 years with cleaning and flouride treatment.

A bequest to the Council may be made to further the general purpose of the Rural District Health Council. In lieu of flowers a memorial donation may be made in memory of a loved one. The Board of Directors and staff would like to thank the families of the following for naming memorial contributions in their names.

Nancy French	Elida Fessel	Joseph Malolepszy
Anna Hall	Ed Foss	Annie Tibbetts
Marie Spahn	Avis Taylor	Florence Coughlin
Christina Berry	John Gaydos	Elizabeth Spiridiglozzi
Shirley Connell	Rita Champagne	
Dennis Connell	Jeanne Crowley	

With the increasing growth, the towns have reached a high of 25,828 residents being served by the agency. It was voted by the Board of Directors to hold the per capita at \$3.70 for 1988.

During the past year the Council has made for your town 210 skilled nursing visits, 12 therapy visits, 155 home health aide visits, 55 homemaker hours. There have been 30 child health home visits and 33 child health clinic visits.

Anyone interested in additional information or needing services may contact the Rural District Health Council office at 4 Winter St., Farmington, N.H. 03835 or call 755-2202 between the hours of 8 a.m. - 4 p.m. Monday-Friday.

Ardala Houle, R.N.
Executive Director

BUILDING INSPECTION DEPARTMENT REPORT
For Calendar Year 1987

The point system for dwellings is designed as a guide to the fair and equal distribution of building permits issued between April 1 of one year and March 31 of the following year. Five per cent (5%) of the year round dwellings determines the permits for new dwellings, that may be issued. That number, this year was 45.

Forty-two (42) permits were issued, according to the point system. Twenty-two (22) were grandfathered, for a total of 64, compared with 79 for the previous year.

Other permits issued were:

New Garages	23	Carports	1
New Sheds	3	New Barns	3
Additions	10	Alterations	25
Pools	4	Septic Replacement	3
Seasonal Dwellings	4	Docks	2
Renewals	15	Transfers	8
School Addition	1	Telephone Bldg.	1
Chimney	1		
		Total Permits	168

Dick Fabian, as Assistant Building Inspector, has done virtually all the inspections this year. My sincere thanks to Dick.

The total revenues that I have collected and turned in to the Town Treasurer in 1987 are \$5,468.00.

We received about 1,000 phone calls in 1987, related to the position of Building Inspector.

About 50 applications are pending; some are waiting for enough points, others for septic approval and others for a convenient and opportune building time.

Respectfully submitted,
Herbert L. Cilley

ROAD AGENT'S REPORT 1987

Summer and winter general maintenance account for the biggest portion of the highway budget.

Extensive culvert work was completed, both replacements and extensions. Ditches were cleaned on a section of First Crown Point Road by Blue Job.

A short section of Wild Goose Pond Road on the Northwood end was graveled.

A great deal of brush was cut and removed on the roadsides. Hopefully, these young men will continue cutting this year.

Guard rails were installed in various places and many signs were purchased and put up. A larger amount of signs are to be purchased this year.

Under Article 4 of 1986 report, a section of the First Crown Point Road was widened and graveled ready for paving. The same on the Leighton's Corner Road which was partially paved.

Ledge was blasted and removed on a section of Barn Door Gap Road where a bad hump existed.

Culvert extensions were installed at the intersection of Tasker Hill Road and Water Street.

Radford Messenger
Road Agent

STRAFFORD RECREATION COMMISSION REPORT FOR 1987

The Strafford Recreation Commission was fortunate again to have the Water Safety Instructor team of Mary Ellen Plante and Mark Dolan running the swim program in 1987. A record number of 162 students registered for one or both of the 2 three-week sessions. The swim students and recreational swimmers both enjoyed the addition of the swimmers float to the waterfront facilities. The construction of the float was made possible by the \$500.00 gift for that purpose by Paul and Leslie Longueil. Once again the beach was enhanced by the gift of sand from Dick Proulx.

As facilities have expanded to include not only the existing lawn, beach and rocks, but the dock and float as well, they have also provided a larger area where safe behavior of beach patrons must be enforced. The beach personnel appreciated the help of the Town police in checking at the beach each day and working with the beach patrons to help back up the beach safety guidelines.

The Recreation Commission returned \$1,875.35 to the Town in gate receipts and swim registration fees.

The budget request for 1988 is based upon maintenance of the present beach facilities with the addition of more floatation and a greater substructure to the float to give it more stability. The request also reflects the rising salaries for water safety instructors which will need to be considered whether we are fortunate enough to keep our past staff or need to look for new staff.

The Commission is also considering activities beyond swimming. The budget request includes \$200.00 for basketball backboards and hoops and the Commission is actively seeking paved areas in town where these could be mounted.

The growth of the town presents the need for land to be set aside for use as a public park with playing fields and courts. The Commission, therefore, has not only its customary budget request covering the operation of the beach and swim program, but a second warrant item asking for the establishment of a capital reserve fund to meet the present and future needs of the Town.

Harmony Anderson, Secretary
Richard Omand, President
Bruce Patrick, Treasurer
Ron Hernon

STRAFFORD RESCUE TEAM REPORT

January 13, 1988

The Strafford Rescue Team, your all-volunteer medical division of the Strafford Fire Department, had another full year of providing emergency medical services to the Town of Strafford. We continue to respond to all medical emergencies, motor vehicle accidents and rescue calls.

We have seven responding member. If you would like to join us, we would be happy to talk with you at your convenience.

The Selectmen's Committee, Fire Department and Rescue Team are all recommending that the Town no longer use Center Barnstead Ambulance to transport patients to the hospital because of the high cost. Benoit Medical Services will be able to provide twice as much availability for one tenth of the cost. Benoit's response time to Strafford will also be about the same. Benoit will bill the Town \$175 per transport (rather than an annual contract) and bill the patient's insurance if the patient has insurance.

We are most thankful to the Town for your support, both financial and verbal. It makes our work worthwhile!

Thank you,
Reverend John F. Upham
Coordinator, Strafford Rescue Team

PLANNING BOARD REPORT 1987

The Planning Board had a heavy workload in 1987. Much of the land being developed now requires very close on-site inspection.

Our first major excavation permit under RSA 155-E was completed and after many hours and trips afield, it should now be the standard for the future.

The work on the Master Plan is ongoing, and because of the long-lasting effect any change in zoning will have, the Board voted not to rush through the process. Many townspeople have given many hours to this project, so rushing for this year's Town Meeting did not make any sense. When the Board has all of the information correct, we will propose changes in the land use codes to the Town.

I would like to thank all of the Board members, alternates, secretaries, and those who helped on the Master Plan for their dedication to the Town.

Neil Mooers, Chairman

Receipts - 1987:	
Application Fees	\$2,678.73
Books (Town Zoning Ordinances and Regulations)	included above
Expenditures 1987:	
Secretarial	\$1,876.12
Postage (incl. under Town Office expenses)	450.60
Supplies	129.55
Foster's Daily Democrat (Public Notices)	21.00
	<u>\$2,477.27</u>

BOARD OF ADJUSTMENT 1987

The Board of Adjustment has held three public hearings for the consideration of applications requesting variances to the Zoning and Land Use Ordinances for the Town. The number of times the Board meets during a year is based on the number of applications received.

R. Stephen Leighton, Chairman

Receipts:	
Application Fees	\$114.00
Expenditures:	
Secretarial	\$135.00
Postage (incl. under Town Office Expenses)	20.26
Foster's Daily Democrat (Public Notices)	51.25
	<u>\$206.51</u>

REPORT OF THE SELECTMEN

We are in the process of reviewing and updating all our existing files and records, and hope to be able to further organize our data through the use of an "in house" computer system. The use of such a system will provide us with the ability to store a wide range of information and operate at a higher level of efficiency when transferring, correcting or adding new information to our files.

In addition to including a warrant article for the above, we have included an article for alterations to the Town Clerk/Tax Collector's office. The proposed alterations will aid us is serving the townspeople in a professional and expedient manner.

As you know, Article 29, voted in 1987, made it possible for us to seek

an outside audit by a certified public accountant. The firm of Mason and Rich Associates from Concord is currently working on the audit of our 1987 books.

Article 13, voted in 1987, directed the Selectmen to appoint a committee of three to study the ambulance and rescue needs of the Town. Based on their report and taking into consideration the large increase quoted by Center Barnstead's Fire Department, we have made a decision that we feel is in the best interest of the Town. We have included a figure of \$5,000 in our budget for the purpose of contracting with the Benoit Ambulance Service. Last year we paid \$8,548 to Center Barnstead, and this year's quotation was in the amount of \$21,338. A more complete report will be given by a representative of the study committee at the Town Meeting.

At this time we would like to advise that Article 16, voted in 1987, to establish a non-lapsing Trust Fund to hold fees paid by applicants to the Planning Board, was disallowed by the Department of Revenue. There is no provision under State statutes to accept and hold monies in this manner, at this time.

Selectmen's meetings are held from 7:00-9:00 P.M. on the first and third Tuesday of every month, and are open to the public. If possible, we do appreciate a call in advance to assure time in our schedule to discuss your particular concerns. Work sessions are held on the other Tuesday evenings and we are often available during the daytime hours, too.

It is with regret that we note the passing of G. Frederick Wagner, who served as a Selectman from March 11, 1980 to March 9, 1982. Our heartfelt sympathy goes out to his family.

Respectfully submitted,
OFFICE OF THE SELECTMEN
Town of Strafford
Lester E. Huckins, Chairman
Gloria G. Creamer, Selectman
JoAnn Brown, Selectman

STRAFFORD CONSERVATION COMMISSION 1987 ANNUAL REPORT

The Strafford Conservation Commission now manages over 600 acres of conservation land in Strafford in six different lots, following the Town's acceptance of the Spruce Ponds Conservaton area at last year's Town Meeting.

During the past year, Commission members accompanied representatives of the Trust for New Hampshire Lands on four field trips in an effort to try and procure and protect the natural features of the face of Parker Mountain with the help of the land trust program. The Commission is continuing to protect the habitat of endangered plant species in Strafford, working with the Natural Heritage Program in conjunction with the Nature Conservancy.

The Commission continues to review all applications submitted for dredge and fill in wetlands, conducting on-site reviews for most of the applications. This was an especially busy year because of the deep drawdown of Bow Lake that began in October. We are glad to offer advice to anyone who contacts us before submitting an application for shoreline projects.

In response to the ever-increasing development pressure around Bow Lake, Commission members conducted an inventory of the docks along Water Street. We have also been active following up several dredge and fill violations, in cooperation with the New Hampshire Wetlands Board. We are especially concerned that the citizens of Strafford are not adequately informed about the impact of unregulated dock and beach work on fish habitat. Increasingly, Bow Lake is losing the fish habitat that is essential to the preservation of an ecologically healthy lake. We are concerned that significant habitat loss will lead to a severe degradation of water quality. To help maintain the fish population, the Commission has established a 'rock policy' for Bow Lake. Wherever possible, we recommend that rocks be maintained in the water. If you are planning a dredge and fill project along the shore, we urge you to get in touch with us — by tipping, moving, or rolling troublesome rocks into deeper water, the fish habitat will be preserved. These recommendations are especially important in the wake of this year's deep drawdown.

This past summer, the Commission once again helped sponsor two Strafford students attending the Forestry Conservation Camp. Matthew Dame and Matthew Trumelle were this year's campers. We would like to thank the Strafford Women's Club who were our co-sponsors.

The Commission is working with the Planning Board on the Master Plan revision project. We are particularly involved in reviewing the Natural Resources and the Water Resources chapters. We continue to attend regular Planning Board meetings and to advise the Board whenever needed, particularly concerning wetlands protection. Commission members also took an active role in the Board's extensive work on the major excavation permit.

The Conservation Commission continues to focus many of our conservation efforts on the protection of Strafford's many valuable wetlands.

We are greatly concerned about the impact of growth and development on our many swamps and marshlands, ponds, and watercourses. Strafford must continue to work to preserve and protect all of our natural resources.

Respectfully submitted,
J.B. Cullen, Chairman
John Bozak
JoAnn Brown

REPORT OF TOWN FOREST FIRE WARDEN

In 1987, we had no major grass or brush fires. This was due in part to the fact that everyone was careful with fire and to the fact that we had a new watchman in Blue Job lookout tower who did a super job of spotting smoke.

I would like to take this opportunity to remind everyone of a few of the State Forest Fire Laws. A written permit is required for any open fire unless the ground is covered with snow. Permit burning is only allowed between the hours of 5:00 p.m. to 9:00 a.m. No burning is allowed between 9:00 a.m. to 5:00 p.m. unless it is raining and then only with a written permit. Anyone wishing to have a backyard incinerator or campfire can receive a season permit for approved sites, otherwise permits are issued on a one or two day basis depending upon weather conditions. All fires are to be attended at all times. No wood with a diameter of more than five inches can be burned and no stumps can be burned.

There can be a substantial fine for burning without a permit. So please, take the extra time to obtain one. These permits are issued free of charge.

Thank you for helping to keep our town free of the devastating effects of a forest fire.

For permit or information please call me at 664-9773. To report fires call fire dispatch at 1-524-1545.

Glenn D. Pierce
Town Forest Fire Warden

TENTATIVE SCHOOL WARRANT THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Strafford qualified to vote in district affairs:

You are hereby notified to meet at the Strafford School in said District on the 2nd day of March, 1988, at 7:00 o'clock in the afternoon, to act upon the following subjects:

1. To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.

2. To see if the School District wishes to extend the land search committee authorized by vote of the March 1987 Annual School District Meeting for a one year period to continue a search for a minimum of 20 acres of land to satisfy the future construction/space needs of the District and to report back to the March 1989 Annual School District Meeting with purchase recommendations; and further, to authorize and direct the School Board to acquire an option or options on suitable parcels of land in accord with terms and conditions which the School Board deems necessary and appropriate, and further raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be used for the acquisition of said option, soil analysis, legal research, site preparation and all other matters in connection therewith.

3. To see if the School District will authorize the School Board to receive and expend during the current 1987-88 school year, the sum of sixteen thousand two hundred (\$16,200.00) for the removal and replacement of the oil tank located directly behind the school as per State law, RSA 146-C; and to authorize the School Board to make application for and to receive an interest-free loan under Cycle III of the RUST (Replacement Underground Storage Tanks) Program sponsored by the Governor's Energy Office. (supplemental appropriation)

4. To see if the School District will vote to raise and appropriate a sum of money not to exceed ten thousand dollars (\$10,000.00) from the unencumbered balance at the end of the 1987-88 fiscal year. Said sum of money to be deposited in the School District Capital Reserve Fund: capital improvements/new construction for the School District in accord with the provisions of RSA Ch. 35.

5. To see what sum of money the School District will raise and appropriate for the support of schools, for the salaries of School District officials and agents, for capital construction, and for the payment of statutory obligations of the School District.

6. To see if the School District wishes to establish a committee composed of a minimum of seven (7) members to be appointed by the School

Board to study the space needs of the District; said committee to submit a written report and recommendations to the 1989 Annual School District meeting.

7. To see if the School District wishes to establish a committee composed of a minimum of five (5) members to be appointed by the School Board to study the feasibility of a public kindergarten; said committee to submit a written report and recommendation to the 1989 Annual School District Meeting.

8. To see if the District wishes to formally withdraw from the Rochester Authorized Regional Enrollment Area (AREA) Agreement effective 1 September 1988 in accord with the provisions of RSA 195-A:14.

9. To see if the District will vote to convey, by Quitclaim Deed, all of its right, title and interest in and to the School House Lot, so called, a property of approximately forty (40) square feet southwest of First Crown Point Road, Strafford, County of Strafford, New Hampshire, to Lena R. Butler, and to authorize the School Board to execute a Quitclaim Deed in connection therewith.

10. To see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes and/or State agencies; private agencies and/or other sources in accord with the provisions of RSA 198:20-b.

11. To choose agents and committees in relation to any subject embraced in this warrant.

12. To transact any other business which may legally come before this meeting.

Given under our hands at said Strafford this 10th day of February 1988.

STRAFFORD SCHOOL DISTRICT AUDITOR'S REPORT

We have examined the combined financial statements of the funds and account group as indexed, of the Strafford School District as of and for the fiscal year ended June 30, 1987. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As is the general practice with many New Hampshire municipalities, the Strafford School District has not maintained a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

In our opinion, except that the omission of the financial statements described above results in an incomplete presentation, as explained in the preceding paragraph, the combined financial statements referred to above present fairly the financial position of the Strafford School District as at June 30, 1987 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The supporting schedules listed in the index are presented for the purposes of additional analysis and are not a rerequired part of the combined financial statements of the Strafford School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is fairly stated in all material respects, in relation to the combined financial statements taken as a whole.

September 30, 1987

Respectfully submitted,
Jon R. Lang
Certified Public Accountant

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Strafford School District:

When the 1987-88 school year opened last September, the Strafford School was organized as follows:

<u>EMPLOYEE</u>	<u>ASSIGNMENT</u>
Carol Evans	Principal
Carol Lord	Secretary
Richard Kaufman	Guidance
Elizabeth Mason	Grade 1
Nancy vonWhalde	Grade 1
Nancy Devine	Grade 1
Christina Foss	Grade 2
Maryellen Plante	Grade 2
Nancy Lake	Grade 3
Priscilla Bowlen	Grade 3
D. Randall Nix	Grade 4
Darla Higgins	Grade 4
Alice Grandmont	Grade 5
Jennifer Wilson	Grade 6
Katrina Rhodes	7-8 English
Robert Gilmore	7-8 Social Studies
Frank Finley	7-8 Math
Walter Sagan	7-8 Science
Cheryl Sager	Music
Kathy Demers	Speech/Language
Robyn Krasko	Physical Education
Katherine McNally	Special Education/Resource
Carol Thompson	Nurse
Brenda Marichal	Teacher Aide
Elizabeth Warner	Special Education Aide
Charlotte Berry	Teacher Aide
Anne Tabory	Teacher Aide
Dawn Tuttle	Head Custodian
John Boyle	Custodian
Bonnie Burbank	Chapter I Reading Specialist

The enrollment by grade as reported as of October 1, 1987 was as follows:

GRADE	1	2	3	4	5	6	7	8	TOTAL
PUPIL	56	39	37	44	19	29	34	41	299

Strafford School District residents attending other schools at the District's expense is as follows:

SCHOOL	9	10	11	12	TOTAL
SPAULDING	12	13	19	8	52
DOVER VOC.	3	1	2	2	8
COE-BROWN	20	14	17	3	54
TOTALS	35	28	38	13	114

In addition, the following numbers of students are receiving special education services at the district's expense: 1-Child Development Center; 9-Coe Brown Academy; 1-Dover High School; 1-Spaulling Jr. High School; Strafford Learning Center programs: 3-ASE; 2-TAC; 3-TIP; 1-Woodman Park School.

As many seacoast communities, Strafford is experiencing rapid growth with the inevitable ramifications for the school system. In the spring of 1986, the enrollment in grades 1-8 was 244 pupils. In September of 1986, this figure rose to 275 pupils. When school opened in September of 1987, the enrollment had increased to 299 pupils. The current enrollment in grades 1-8 is 314 students. Such rapid growth has pressed the current facility to maximum utilization.

Due to the growth Strafford is experiencing, I strongly recommend voter support for Article One of the District Warrant which will extend the present land search committee. The present school site has been developed to maximum capacity. Land acquisition by the School District is essential if progress in educational programming is to continue.

Strafford students continue to demonstrate fine progress in various subject matter areas as demonstrated by the results of the Science Research Associates and California Achievement tests. All categories of Reading, Science and Social Studies have shown very strong gains.

Curriculum review and revision continue to receive appropriate attention from the professional staff. This past summer the faculty developed new Social Studies units and devoted much time to a revision of the Reading Program.

Major needs of the system as I see them continue to be as follows:

(1) classroom space, (2) the need for an expanded library component, (3) emphasis on the development of thinking skills within the context of the regular school year curricula, and (4) the need to fund a public kindergarten program.

The current Legislative session merits our attention with regard to at least one particular piece of legislation. House Bill 645 would increase the State's portion of school construction costs from 30% to 40% and would decrease the vote total needed to pass a school construction bond issue from the current level of 66-2/3% to 51%. School Districts experiencing rapid growth would benefit greatly from this legislation. I strongly urge you to contact your representatives in support of this bill.

A stronger State role in education and more accountability at the local level is necessary if we are to retain the present level of decision-making as opposed to an increased Federal role. Present Federal budget decisions reflect a trend away from funding programs which are less accountable, such as, State block grants and toward increased funding for more accountable programs, such as, the National Assessment of Educational Progress (NAEP) which analyzes student performance in specific subjects. Such experts as Dr. Porter from Harvard maintain that the local control of education associated with an earlier era in our nation's history is no longer sufficient for an economically interdependent world. If we are to prove such a thesis wrong, we must support our schools at the State and local level by providing clear leadership and adequate financial support.

On behalf of the members of the School Administrative Unit #44 staff, I wish to thank the members of the School Board, and key community people for their untiring efforts and continued support on behalf of the children served by the District.

Respectfully submitted,
Barry L. Clough
Superintendent

STRAFFORD CAPITAL RESERVE FUND

For the purpose of financing capital improvements as well as part of the cost of new construction for the School District, as of December 31, 1987, the Strafford School District has a balance of \$28,623.05.

Trust of the Trust Fund
Justine Leighton

REPORT OF THE SCHOOL NURSE

The increase of students (311) in our school has made the job of keeping records time consuming. The new Immunization Laws are strict and all children must be up-to-date on immunizations and physicals. We have 58 children in the first grade this year and getting all physicals and immunizations done has taken much time, calling and writing parents to have this done.

Two new health subjects are being introduced into our school. The "Aids Disease" was explained and movies shown to all 5th, 6th, 7th, and 8th grades. This was done by "The Clinic" from Dover by two nurses who presented an excellent program. The other new subject is Alcohol and Drug Abuse. The SAU and State Department of Education recommended that this be taught in all grades. This was started in January 1988 in Grades 1-6. It will be taught in classrooms by the teachers once or twice a week as part of the health class. Personal Health classes are being taught in grades 4, 5, and 6. First Aid will be taught this spring to middle and upper grades.

The "Albert Leighton Fund" has been a great help to our children. It bought glasses for one child, shots and a physical for another, and two children were sent to a summer camp in Maine.

All children had their height, weight and eyes tested this year. Hearing testing has been done when the machine is available as we are borrowing one this year. I am hoping to purchase a new Audiometer this school year.

Respectfully submitted,
Carol Thompson, R.N.

DEPARTMENT OF REVENUE ADMINISTRATION

Your report of appropriations voted and property taxes to be raised for the 1987-88 school year has been approved on the following basis:

TOTAL APPROPRIATIONS\$1,591,591.00

REVENUES & CREDITS AVAILABLE TO REDUCE SCHOOL TAXES

Unreserved Fund Balance	\$ 40,596.00

November 20, 1987

William G. Lord
Chairman, School Administrative Unit Board

MINUTES OF THE ANNUAL SCHOOL DISTRICT MEETING HELD TUESDAY, MARCH 3, 1987

The annual school district meeting of March 3, 1987, was called to order by the Moderator at 7:02 P.M., at the Strafford School. There were approximately 125 in attendance.

The Moderator related the ground rules for the meeting: Those who wish to speak should first rise, be recognized by the Chair, that person be allowed to speak without interruption and those who have spoken give the floor to those who have not yet had a chance.

THE MODERATOR advanced Article 1: That the district approve the reports of agents, auditors, committees and officers as reflected in the school district report.

BILL LORD moved that the district approve the reports of agents, auditors, committees and officers as reflected in the school district report.

THE MODERATOR recognized the motion of BILL LORD, and asked for a second. The motion was SECONDED by an unidentified speaker. There were no questions on the motion. A vote was taken and it was in the AFFIRMATIVE.

THE MODERATOR advanced Article 2: To see if the school district wishes to authorize the school board by and through a committee to conduct a search for a minimum of twenty acres of land to satisfy the future construction/space needs of the district, said committee to report back to a special school district meeting with purchase recommendations, and further to authorize and direct the school board, prior to said special school district meeting, to acquire an option or options on suitable parcels of land in accordance with terms and conditions which the school board deems necessary and appropriate, and further to raise and appropriate the sum of \$65,000 to be used for the acquisition of said option, soil analysis, legal research, site preparation and all other matters in connection therewith.

MARGARET JENISCH moved that the school district authorize the school board by and through a committee to conduct a search for a minimum of twenty acres of land to satisfy the future construction/space needs of the district, said committee to report back to a special school district meeting with purchase recommendations, and further to authorize and direct the school board, prior to said special school district meeting, to acquire an option or options on suitable parcels of land in accordance with terms and conditions which the school board deems necessary and appropriate, and further to raise and appropriate the sum of \$65,000 to be used for the acquisition of said option, soil analysis, legal research, site preparation and all other matters in connection therewith.

THE MODERATOR recognized the motion of MARGARET JENISCH and asked for a second. The motion was SECONDED by an unidentified speaker. Lengthy discussion was had.

RICHARD ANDERSON moved for a vote on the motion.

THE MODERATOR moved the question which was to see if the school district wishes to authorize the school board by and through a committee to conduct a search for a minimum of twenty acres of land to satisfy the future construction/space needs of the district, said committee to report back to a special school district meeting with purchase recommendations, and further to authorize and direct the school board, prior to said special school district meeting, to acquire an option or options on suitable parcels of land in accordance with terms and conditions which the school board deems necessary and appropriate, and further to raise and appropriate the sum of \$65,000 to be used for the acquisition of said option, soil analysis, legal research, site preparation and all other matters in connection therewith.

DONALD ASH asked for a two-minute recess so he and others were able to get their voting cards.

THE MODERATOR called for a vote on Article 2 as read on several occasions. A vote was taken and the Chair was in doubt as to the count and took a second vote with a hand count. There were 51 in favor and 55 opposed. The vote was NEGATIVE.

MARGARET JENISCH moved for a reconsideration at the lesser figure of \$10,000. The motion was ruled out of order since MARGARET JENISCH had not voted with the prevailing side.

ROBERT BRIDGES made a motion to table.

THE MODERATOR ruled the motion to table as there was nothing on the floor.

THE MODERATOR advanced Article 3: To see if the district will vote to authorize a high school bus route from Spaulding High School and Junior High School in Rochester, the contracted school of record, for a one-year period, commencing with the opening of school in September, 1987, and also, to vote to raise and appropriate the sum of \$13,770 for this purpose. By petition.

ROBYN ROWE moved that the school district vote to authorize a high school bus route from Spaulding High School and Junior High School in Rochester, the contracted school of record, for a one-year period, commencing with the opening of school in September, 1987, and also, to vote to raise and appropriate the sum of \$13,770 for this purpose.

THE MODERATOR recognized the motion of ROBYN ROWE and asked for a second. The motion was SECONDED by an unidentified speaker. There was a discussion on the motion.

BILL LORD moved to amend Article 3 to change the sum of dollars involved based on a firm bid estimate of \$17,461.

THE MODERATOR recognized the motion to amend of BILL LORD, and asked for a second. The motion was SECONDED by an unidentified speaker. There was a discussion on the amendment.

THE MODERATOR moved for a vote on the amendment. There was a vote taken and it was in the AFFIRMATIVE.

THE MODERATOR moved for a vote on Article 3 as amended, which was to see if the school district will vote to authorize a high school bus route from Spaulding High School and Junior High School in Rochester, the contracted school of record, for a one-year period, commencing with the opening of school in September, 1987, and, also, to vote to raise and appropriate the sum of \$17,461 for this purpose.

THE MODERATOR asked for discussion, and a lengthy discussion was had.

PHYLLIS LYNBURG made a motion to amend the article to ask if the Town will vote to raise \$14,400 to pay for a bus route to Coe-Brown Academy, and \$17,461 to pay for a bus route to Spaulding.

THE MODERATOR recognized the motion to amend, and the amendment was SECONDED by an unidentified speaker.

THE MODERATOR asked for discussion on the amendment, and a discussion was had.

THE MODERATOR moved to vote on the amendment which was that the Town raise the figure from \$17,461 to \$31,861. There was more discussion.

THE MODERATOR moved to vote on the amendment. There was more discussion.

THE MODERATOR again moved to vote on the amendment. There was more discussion.

THE MODERATOR again moved to vote on the amendment to increase the amount from \$17,461 to \$31,861. A vote was taken and it was in the AFFIRMATIVE.

THE MODERATOR moved Article 3 as amended, to see if the town will vote to authorize the high school bus route from Spaulding High School and Junior High School in Rochester, the contracted school of record, for a one-year period, commencing with the opening of school in September, 1987, and, also, to vote to raise and appropriate the sum of \$31,861 for this purpose.

THE MODERATOR asked for discussion. There was further discussion.

JAMES FOSS made a motion for an amendment to include the addition of the following language to the article: "Not to exceed", or "appropriation not to exceed" or "the expenditure not to exceed", such amendment with the approval of PHYLLIS LYNBOURG.

THE MODERATOR recognized the motion by JAMES FOSS and moved the amendment, that is, to see if the district will vote to authorize a high school bus route from Spaulding High School and Junior High School in Rochester, the contracted school of record, for a one-year period, commencing with the opening of school in September, 1987, and, also, to vote to raise and appropriate a sum not to exceed \$31,861 for this purpose. A vote was taken on Article 3 as amended, and the vote was in the AFFIRMATIVE.

THE MODERATOR moved Article 4: To see if the school district will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials, employees and agents, other than negotiated increases for salary and fringe benefits for teachers, for capital construction, and for the payment of the statutory obligations of the Strafford School District.

WILLIAM LORD made a motion that the district vote to raise and appropriate the sum of \$1,571,591 for the support of schools, for the payment of salaries of school district officials, employees and agents, other than negotiated increases for salary and fringe benefits for teachers, for capital construction, and for the payment of the statutory obligations of the Strafford School District.

THE MODERATOR recognized the motion of BILL LORD and asked for a second. The motion was SECONDED by an unidentified speaker.

THE MODERATOR asked for discussion, including a point made by GEORGE WALDRON that a vote had already been taken on the figure of \$31,861 for transportation, and that figure should be removed from the \$1,571,591. The SUPERINTENDENT indicated a vote could be taken either way, as long as the Minutes reflected which way it was done. BILL LORD indicated he felt it appropriate to include it as part of the budget.

There was lengthy discussion including a point by ROBERT BRIDGES, who wanted to know why Article 12 should not be voted on before Article 4. BILL LORD responded that legal advice secured by the District indicated that Article 12 would not be binding on the Board or the District and hence was inexpedient to legislate. Further discussion involved citations of law. The school board in rotation explained the line items in the proposed school budget, which took approximately a half-hour.

RICHARD ANDERSON moved Article 4.

THE MODERATOR recognized the motion of RICHARD ANDERSON and called for a vote on the question. A vote was taken and it was in the AFFIRMATIVE.

THE MODERATOR moved to vote on Article 4, with the figure of \$1,571,591. A vote was taken and it was in the AFFIRMATIVE.

THE MODERATOR advanced Article 5: To hear the reports of the AREA (Authorized Regional Enrollment Area) school study committee as voted by the voters at the March, 1986 annual school district meeting by the passage of Article 6.

MARGARET JENISCH moved that the district hear the reports of the AREA (Authorized Regional Enrollment Area) school study committee as voted by the voters at the March, 1986 annual school district meeting by the passage of Article 6.

THE MODERATOR recognized the motion of MARGARET JENISCH and asked for a second. The motion was SECONDED by ROBYN ROWE. There was a discussion, including a committee report given by Bruce Patrick.

THE MODERATOR moved to vote on Article 5. A vote was taken and it was in the AFFIRMATIVE.

THE MODERATOR advanced Article 6: To see if the school district will vote to authorize the establishment of a cooperative school district planning committee to study the advisability of establishing a cooperative school district in accord with RSA 195:18.

ROBYN ROWE moved Article 6 as to whether the school district will vote to authorize the establishment of a cooperative school district planning committee to study the advisability of establishing a cooperative school district in accord with RSA 195:18.

THE MODERATOR recognized the motion of ROBYN ROWE and asked for a second. The motion was SECONDED by BILL LORD.

THE MODERATOR asked for discussion on the motion. There was a brief discussion.

THE MODERATOR moved to vote on Article 6. A vote was taken and it was in the AFFIRMATIVE.

THE MODERATOR advanced Article 7: To see if the district will vote to authorize the school board to enter into a five-year tuition contract with a five-year renewal option with Coe-Brown Northwood Academy for Strafford students in grades 9-12 commencing September 1, 1989, in accord with State law RSA 194:22.

BILL LORD moved that the district vote to authorize the school board to enter into a five-year tuition contract with a five-year renewal option with Coe-Brown Northwood Academy for Strafford students in grades 9-12 commencing September 1, 1989, in accord with State law RSA 194:22.

THE MODERATOR recognized the motion of BILL LORD and asked for a second to the motion. The motion was SECONDED by an unidentified speaker. The MODERATOR asked for discussion, and discussion was had. The MODERATOR moved to vote on Article 7. A vote was taken and it was in the AFFIRMATIVE.

THE MODERATOR advanced Article 8: To see if the district will vote to raise and appropriate a sum of money not to exceed \$10,000 from the unencumbered balance at the end of the 1986-87 fiscal year. Said sum of money will be deposited in the School District Capital Reserve Fund established for the purpose of financing capital improvements as well as all or part of the cost of new construction for the school district in accord with the provisions of RSA 35.

MARGARET JENISCH moved to adopt Article 8, that the district vote to raise and appropriate a sum of money not to exceed \$10,000 from the unencumbered balance at the end of the 1986-87 fiscal year. Said sum of money will be deposited in the School District Capital Reserve Fund established for the purpose of financing capital improvements as well as all or part of the cost of new construction for the school district in accord with the provisions of RSA 35.

The MODERATOR recognized the motion of MARGARET JENISCH and asked for a second. The motion was SECONDED by an unidentified speaker.

The MODERATOR called for discussion on the motion, and a discussion was had. The MODERATOR moved to vote on Article 8. A vote was taken and was in the AFFIRMATIVE.

The MODERATOR advanced Article 9: To see if the school district will authorize the Strafford School Board to make application for and to receive and expend, in the name of the school district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or State agencies, private agencies, and/or other sources, in accordance with the provisions of RSA 198:20b.

ROBYN ROWE moved that the article be moved as printed.

THE MODERATOR recognized the motion of ROBYN ROWE and asked for a second to the motion. The motion was seconded by MR. HARRINGTON. There was a discussion of the motion.

The MODERATOR moved to vote on the question. A vote was taken and it was in the AFFIRMATIVE.

The MODERATOR advanced Article 10: To see if the town will vote to increase the current school board consisting of three members to five members. By Petition.

BILL LORD moved to indefinitely postpone this article.

The MODERATOR recognized the motion of BILL LORD and asked for a second. The motion was SECONDED by an unidentified speaker. The MODERATOR asked for discussion. There was none. The MODERATOR moved to vote on the question. A vote was taken and it was in the AFFIRMATIVE.

The MODERATOR advanced Article 11: If at any meeting held by the school board, Moderator, or any subcommittee thereof, shall conduct such meetings as outlined by Roberts Rules of Order. By Petition.

BILL LORD moved that Article 11 be indefinitely postponed as legal counsel had advised the article would not be binding upon subsequent meetings or subcommittees of the school board.

The MODERATOR recognized the motion of BILL LORD and asked for a second. The motion was SECONDED by MR. HARRINGTON. The MODERATOR asked for discussion. A discussion was had. The MODERATOR moved to vote on the question. A vote was taken and it was in the AFFIRMATIVE.

The MODERATOR advanced Article 12: That all budgeted items be made line items and that no salaries or expenditures shall exceed a 3 percent increase with the exception of student transportation and tuition to other schools. By petition. The MODERATOR announced the article was out of order, and asked for the question to be moved.

MARGARET JENISH moved that Article 12 be indefinitely postponed as legal counsel had advised the proposed cap was not binding on this school district meeting or any other school district meeting since the voters, at any time, can decide to overrule any procedural decision to place a cap on a budget.

The MODERATOR recognized the motion of MARGARET JENISCH and asked for a second. The motion was SECONDED by an unidentified speaker. The MODERATOR moved to vote on the question. A vote was taken and it was in the AFFIRMATIVE.

The MODERATOR advanced Article 13: To choose agents and committees in relation to any subject embraced in this warrant.

BILL LORD moved that the article be indefinitely postponed as there were no other agents or committees to be chosen.

The MODERATOR recognized the motion of BILL LORD and asked for a second. The motion was SECONDED by an unidentified speaker. The MODERATOR asked for discussion, and there was none. The MODERATOR moved to vote on Article 13. A vote was taken and it was in the AFFIRMATIVE.

The MODERATOR advanced Article 14: To transact any other business which may legally come before the meeting.

Mr. Harrington moved to bring forward Article 2 for reconsideration, changing the dollar figure of \$65,000 to \$10,000.

The MODERATOR recognized the negative vote of MR. HARRINGTON on Article 2 earlier in the evening and announced the motion to reconsider as legal. "The motion is to reconsider Article 2, changing the dollar figure from \$65,000 to \$10,000." The motion was SECONDED by MR. LARSEN.

The MODERATOR announced that Article 2 was back on the floor, and asked for discussion. The MODERATOR repeated the question for reconsideration: "To see if the school district wishes to authorize the school board by and through a committee to conduct a search for a minimum of 20 acres of land to satisfy the future construction/space needs of the district, said committee to report back to a special school district meeting with purchase recommendations and further to authorize and direct the school board prior to said special school district meeting to acquire an option or options on suitable parcels of land in accordance with terms and conditions which the school board deems necessary and appropriate and further raise and appropriate the sum of \$10,000 to be used for the acquisition of said option, soil analysis, legal research, site preparation and all other matters in connection therewith."

The MODERATOR asked for discussion. There was none. The MODERATOR moved to vote on Article 2 by asking: "All those in favor of the reconsideration of Article 2, raise your pink cards. Down hands. Those opposed? Okay. Vote in the AFFIRMATIVE."

The MODERATOR asked if there was any other business to come under Article 14.

SUE CANTON said she wanted to extend a thank you to PEGGY JENISCH for her devotion while on the school board.

(Applause).

The MODERATOR moved for a vote on the question on the main motion (Article 2 as reconsidered) with \$10,000 inserted. A vote was taken and it was in the AFFIRMATIVE.

Discussion was had regarding the possible loss of the \$10,000 should the town vote not to purchase a piece of property on which the school board had taken an option. Point was made that \$10,000 is a small percentage of the overall budget of approximately \$1.5 million, and that the town would "pay" a lot more later if this reconsideration of Article 2 as amended did not pass. The MODERATOR moved for a vote on Article 2 as amended. A vote was taken and it was in the AFFIRMATIVE.

[Meeting was adjourned at approximately 10:30 P.M.]

Submitted by,
Robert J. Perry, Clerk

MINUTES STRAFFORD SPECIAL SCHOOL DISTRICT MEETING HELD FRIDAY, JUNE 27, 1987

The special school district meeting of June 27, 1987, was called to order by the MODERATOR at 7:03 P.M., at the Strafford School. There were approximately 135 in attendance.

The MODERATOR related the ground rules for the meeting: Those who wish to speak should first rise, be recognized by the Chair, that person be allowed to speak without interruption and those who have spoken give the floor to those who have not yet had a chance.

The MODERATOR advanced Article 1: To see if the District will vote to raise and appropriate the sum of \$165,000 for the purpose of construction of an addition to the Strafford Elementary School on land owned by the Strafford School District, including equipment and furnishings, architectural fees, site development, professional service fees, and any items incident to, and/or necessary for said construction; to determine whether such appropriation shall be raised by the issuance and sale of bonds or notes on the credit of the Strafford School District in accordance with the provisions of RSA Chapter 33 as amended; to authorize the Strafford School Board to invest said moneys and to use the interest earned thereon for said project; to authorize the Strafford School Board to obtain State and other aid which may be available; and to authorize the Strafford School Board to determine; (1) The time and place of payments of principal and interest; (2) The rate of the interest; (3) The provisions for the sale of notes and/or bonds; and (4), all other matters in connection therewith or to take any other action relative thereto.

BILL LORD moved consideration of Article 1 as read, and it was SECONDED by an unidentified speaker.

The MODERATOR recognized the motion and second and asked for questions.

BILL LORD made the following prefatory remarks representing the board:

"Back in March at our annual district meeting, we appropriated the sum of \$11,000 to provide classroom space for next year, next fall to handle the growth and student numbers that has occurred during the course of this spring and will occur over the summer. That money was going to be spent to place a petition in the gymnasium approximately where that white line sits to provide one classroom here in the gymnasium, and also through the elimination of some specialized rooms to produce a second classroom, both of which will be needed next fall. Several weeks after that annual meeting, we were presented with a petition that circulated in Town that had, I believe, a hundred thirty-seven signatures, where Townspeople suggested that "we save our gym". We had a public hearing to respond to that petition, and at that public hearing a vote of approximately seventy to nothing was taken, advising the School Board at least that public hearing body wanted us to build additional space so that we would not lose the current town hall, would not lose the numerous non-school activities that take place in this particular room, that we would not have to give up such things as basketball and other sports for our children, and also so that we could provide quality classrooms for a quality education.

We looked at several options in addition to construction. These included leasing modular units; just to give you an idea of the costs, leasing modular units, two class rooms, \$31,000 a year. That seems like an awful foolish waste of moneys and with the heating bills for one winter we experienced, we would just as soon not repeat it. We also considered buying modular classrooms with the idea of using them for a period of several years and eliminating them. Again, very expensive. Low salvage value. So we, on the advice of that public hearing, petitioned the Superior Court and the Superior Court approved our petition to see if indeed you would raise and appropriate the money to construct two classrooms, three specialist's rooms, and some very much needed storage.

Now, the purpose of construction of the specialist's room is to allow us to reclaim a classroom already in this facility already consumed by various specialists' needs. We need two classrooms in the Fall of 1988, and we need a classroom in the Fall of 1989. And we felt that this was the least expensive way to provide those two classrooms. We are looking at a construction cost in our proposal of \$55 per square foot. If any of you follow the construction of schools around the Seacoast, and every town is building something, the average costs are running between \$70 and \$100. So you might think those numbers are quite realistic, we just finished a major construction project, and we did it for under \$40 a square foot, mainly because the building committee spent a considerable amount of time, and

because of a concept called design/build that we used. And we are proposing to do that again. We have talked with contractors and architects, and they both feel that the \$55 figure, based on the type of participation that the building committee in this town takes in the building process is realistic, and so that's the basis for that proposal. So I guess with that opening statement, that would be it."

There was DISCUSSION as to the layout of the proposed addition. There was further DISCUSSION as to the ability of the septic system to handle increased numbers of students. It was indicated there would be approximately 326 students in the school by the fall of 1987. There has been an effort on the part of the school board to avoid consuming a large area of the playground for the septic system, although it does appear that the students will lose some of the function of the playground as a result of the increase in size of the septic system and the board is seeking the help of landowners abutting the school for below-ground rights in which to put a septic system and/or leach field. LESTER HUCKINS indicated that in relation to the leach field, there are moneys from the last building fund set aside for that purpose and he inquired as to how much money was in that fund. BILL LORD indicated there would be a transfer of \$26,000 from the current building fund to this building project. It is estimated that it would cost around \$62,000 to build the system as designed. The Board felt it prudent to leave a seven or eight percent cushion in the fund and BILL LORD indicated that there was \$71,675.13 in that fund as of May 20, 1987. There was continued discussion between members of the Board and those in attendance concerning the existing septic system and as to the completion of the addition. It is estimated that the completion date will be October 15, 1987. There was continuing discussion as to the impact the addition to the school would have on the 1987 taxes and it was explained by LESTER HUCKINS that the bills that will be coming out in December will be based on the new rate and these moneys will be reflected in that billing.

DAVID PERKINS inquired as to the alternatives if the addition were not completed this Fall and BILL LORD responded that the only money that the Board has available currently approved by the voters is enough money to divide the gymnasium. It was also pointed out that the interest rate for the project is approximately 5.5 percent and it is a fixed rate.

There was a discussion relative special education and the costs thereof, and a suggestion by JUSTINE LEIGHTON that there be better utilization of bus transportation involving special education students. There was a continuing conversation relative the problems unique to special education students.

DONNA MAXNER indicated that the Town of Strafford had appropriated money for an addition to the school, one was built, and now the Board is asking for more space at additional cost. She wanted to know more about that and particularly the number of students per class, to which BILL LORD responded that the average in an instructional class is 23 and he indicated that a class is only split when it exceeds the State standard. JUSTINE LEIGHTON asked for the maximum figure of students per class to which BILL LORD responded 33 and also indicated that the smallest class is 19. He indicated that at present there are 280 students in the school and that the Board already knows that by September, there will be over 300 and that there is anticipated a figure of 326 students by next Spring.

HARRIS HAMMERSMITH asked the school board to explain the reason that the school board is interested in purchasing 20 acres of land. BILL LORD explained that it was the school board's intention to build 10 new rooms last year but that addition was scaled back to six rooms by the voters. In order to meet the further growth needs of the Town of Strafford, it is anticipated that a new school building will eventually have to be built. In addition, there was discussion as to efforts being made by the school board and its committees to cooperate with other towns in the area to establish a cooperative effort to provide space for anticipated new enrollment.

There was DISCUSSION as to the relationship of numbers of students per classroom to the quality of education.

KATRINA RHODES emphasized the importance of a lower number of students per class from a teacher's point of view in that it offers that student more attention by the teachers, among other benefits. In addition, she indicated that we are giving our students a clear message; we are supposed to be role models, and we are giving them a message that they are not important enough for us to add the space that is necessary.

(Applause.)

GEORGE WALDRON asked the School Board why it was necessary to build additional space to the existing school when it is anticipated that a middle school will be needed in the near future, to which BILL LORD answered that it is imperative that the additional space be built and completed for the Fall of 1987 and that the students cannot wait two or three years for another school to be built.

BILL WILLIAMS asked the School Board what it was doing to coordinate with other towns for space, to which Robyn Rowe responded the Board is currently with committee members, but that surrounding towns are wrestling with the problems created by rapid growth, and they are hoping to solidify an approach to the problem by the Spring of 1988.

There was brief discussion about the use of space within the existing building and it was suggested by THERESA HODGES that better utilization of the existing building might help alleviate the problem of lack of space, to which Carol Evans responded that the seating arrangement within a classroom is at the discretion of the individual teacher and that some classrooms are filled beyond capacity because the School Board accepts new students as they arrive which is not necessarily in the most orderly, convenient or evenly distributed fashion.

There was continuing discussion relative the size of classrooms and the repercussions of not building additional space. BILL LORD repeated that the space will be in the gymnasium if it is not made available elsewhere.

JUSTINE LEIGHTON made the suggestion that the planning board institute a moratorium on cellar holes being built in the Town of Strafford.

MIKE KENNEY made a MOTION to call the question, which was recognized by the MODERATOR who explained to those in attendance that a 2/3 vote was necessary in order to move the question. The MODERATOR called for debate on the motion and there was none. The MODERATOR called for an oral vote and announced that the vote was in the affirmative.

NEIL MOORES suggested that the MODERATOR vote by the raising of cards rather than an oral vote, which was agreed to by the MODERATOR. The MODERATOR again took a vote with a showing of cards and announced that the vote was in the AFFIRMATIVE, and that the vote on Article 1 would be a simple yes or no secret ballot.

The polls were OPEN at 7:45 p.m.

At 8:45 p.m. the MODERATOR asked if anyone else wanted to vote. There being no one, the ballots were CLOSED at 8:45 p.m. After a brief recess, the MODERATOR announced that 136 ballots had been cast and that it was necessary for a 2/3 vote that 90 and 2/3 votes be in the affirmative in order for Article 1 to carry. He announced that there were 46 negative and 90 affirmative, but that there being 90 and 2/3 necessary, it was his opinion that the Article did not carry.

A MOTION to adjourn was made by an unidentified speaker. The MODERATOR recognized the MOTION of the unidentified speaker and called for a vote. He announced the motion did not carry.

MARGARET JENISCH moved to reconsider Article 1.

The MODERATOR recognized the motion and asked for a SECOND. The MOTION was

SECONDED by an unidentified speaker. The MODERATOR proceeded to announce the rules regulating a motion to reconsider consisting of the following:

Reconsideration must be done at this meeting but be held no sooner than 7 days from this date, notice to be posted in the paper 2 days prior to the meeting.

There was some DISCUSSION as to whether the motion was in order and the MODERATOR explained that the MOTION to adjourn was lost and that the MOTION to reconsider, having been seconded, is properly under consideration. MOTION was made by MIKE KENNEY to move the MOTION to reconsider without discussion. The motion was recognized by the MODERATOR who asked for a second. The MOTION was SECONDED by an unidentified speaker. The moderator asked for any questions on the motion to reconsider. GEORGE WALDRON asked if a 2/3 vote was necessary to which the moderator answered that a simple majority was all that was necessary. The MODERATOR advanced the MOTION by asking for a show of hands. A vote on the motion to reconsider was in the AFFIRMATIVE. It was suggested by an unidentified speaker that the next special meeting of the school district be held on July 10, as July 3 was a holiday. It was agreed that the meeting be held on July 10 at 7:00 P.M. for reconsideration of Article 1. The MOTION was recognized by the MODERATOR who asked for a second. The MOTION was SECONDED by an unidentified speaker. The MODERATOR asked for questions on the motion. THERESA HODGES advised that the School Board had indicated there would be no further special meetings. BILL LORD responded that it was not the School Board who was requesting the additional special meeting but the School District. And he also indicated that the vote to reconsider would place a vote on this Article after July 1. That will require the raising of \$105,000 instead of \$80,000 because \$25,000 that was being proposed to be spent on this project would have come from the unencumbered balance at the end of the fiscal year and it will revert to the Town on July 1. There was further discussion on that issue. The MODERATOR advanced the MOTION to recess the meeting until July 10 at 7:00 p.m. for reconsideration of Article 1. A vote was taken and it was in the AFFIRMATIVE.

The MODERATOR asked for any other business to come before the meeting. There being none, a MOTION to adjourn was in order. A MOTION to adjourn was made by an unidentified speaker which was SECONDED by an unidentified speaker. The MODERATOR announced that the meeting would be in recess until July 10.

(The meeting was adjourned at approximately 9:30 p.m.)

Submitted by,
Robert J. Perry,
Clerk

**MINUTES OF THE SPECIAL SCHOOL DISTRICT MEETING OF
JULY 10, 1987
STRAFFORD, NEW HAMPSHIRE**

The meeting was called to order at 7:06 P.M.

BILL LORD explained to those present that a clerical mistake was made by a secretary in the SAU office affecting the posting process for the present meeting, in that the ad which appeared in *FOSTER'S DAILY DEMOCRAT* indicated a reconvening from the previous meeting to be on Friday, July 17, 1987. The correct date, however, is the present day, Friday, July 10. He also indicated the ad's location in the newspaper was less than desirable, that location being within the want ads. Consequently, after seeking legal advice, the Board

decided all would be best served by voting to continue the present meeting to Friday, July 17, 1987, the date which appeared in the newspaper and, further, that the assembled could not vote on the construction of additional school space at the present meeting.

BARRY CLOUGH said he was in complete agreement with Mr. Lord except that action could be taken at the present meeting, but that action would be invalid because of the provisions of the Municipal Finance Act which clearly state that a vote on a motion to reconsider cannot be had upon within 7 days of the original vote, and such meeting must be preceded by notice as to time and place of the vote in a paper of general circulation in the district at least two days prior to the vote. No such notice having been made, the present meeting would be therefore invalid.

An unidentified speaker MOVED to recess the present meeting to Friday, July 17, to the same location, being the Strafford School Auditorium. That motion was SECONDED by an unidentified speaker.

The MODERATOR acknowledged the MOTION and SECOND and asked for questions on the motion.

GEORGE WALDRON indicated that after inquiring of a member of the Secretary of State's Office, he questioned the legality of the process at hand. Mr. Waldron explained that he learned that if the Moderator had recessed a meeting, that the present meeting is a legal meeting. THE MODERATOR corrected MR. WALDRON by saying that he did not recess anything, that the motion on the floor which was acted upon was to recess the meeting until the 10th of July.

MOTION was made by PENNY WHITCHER to recess the present meeting for approximately one month because of a busy schedule in the Bow Lake area in the coming week. BARRY CLOUGH indicated that the initial motion could be amended, and if passed, would prompt the SAU to publish new dates and to post same.

There was DISCUSSION relative the exact date for reconvening to be included in the motion of Penny Whitcher, and she concluded her motion should contain the language "reconvened to Monday, the 17th of August". The Chairman repeated to those assembled the motion containing the date of the 17th of August and asked for a second. An unidentified speaker so SECONDED, which was acknowledged by the Chairman.

MR. LORD commented that although Friday the 17th may present an inconvenience to some, the need to move the project along mandated quicker action by the voters.

MARK THOMPSON moved the question. The MODERATOR ruled it out of order.

MR. KEN LURVEY called for an opinion from the Superintendent of Schools as to the interpretation of the Secretary of State as earlier described herein. Mr. Clough said he talked with BRAD KIDDER, School District Counsel, who indicated that it would be legal for the assembled to recess the present meeting until the 17th, and there followed further DISCUSSION between the assembled and the board as to posting and other legal requirements. Suggestion was made by DAVID EARL that the assembled focus their attention on the last motion made by PENNY WHITCHER, and vote to recess the present meeting, instead of taking a chance and voting at the present time, only to have it invalidated later.

HERB SCRIBNER moved the question.

ROBERT SHERMAN observed that it is probable that whenever the meeting were rescheduled, it would be inconvenient for some, and suggested reconvening on the 17th.

MR. CHARLES DUNTOV asked for a clarification of the motion, to which the MODERATOR responded as follows: "The amendment you are voting on — the motion that was made first was to recess this meeting until the 17th of July at 7:00 in this auditorium, which is next Friday night, and the motion was made to amend to have that meeting the 17th of August on a Monday night at 7:00 in this auditorium." There was further DISCUSSION in an effort to clarify the motions.

JUDY WHITCHER observed concerns should be focused on the children and not on the social schedules of adults.

The Chairman advanced the question and asked for those in favor of the amendment to recess the present meeting until Monday, August 17, at 7:00, at the Strafford School Auditorium, and asked for a show of cards. A vote was taken the MODERATOR indicated the amendment was lost, and that what was left on the floor was the original motion which was to recess the present meeting until Friday, the 17th of July, at 7:00, at the Strafford School Auditorium.

IRMA CLARK asked why the dates on the posters had been changed from the 17th to the 10th, to which MR. LORD responded that he had made the changes in error, not knowing the correct procedure was to vote to recess the meeting to the 17th.

AN UNIDENTIFIED SPEAKER asked to move the question. The Chairman announced that a motion to move the question requires a two-thirds vote without debate, and reiterated the motion on the floor being to recess the present meeting until July 17, 1987, at 7:00 at the Strafford School Auditorium. The Chairman asked for a vote on moving the question. A vote was taken, and it was in the AFFIRMATIVE.

The MODERATOR announced there would next be a vote on the motion, and he restated the motion, being to recess to July 17, 1987, to the Strafford School Auditorium at 7:00. A vote was taken and it was in the AFFIRMATIVE.

The meeting was adjourned at 7:45 P.M.

Respectfully submitted,
Bob Perry, School Clerk

**MINUTES OF THE SPECIAL SCHOOL DISTRICT MEETING OF
JULY 17, 1987
STRAFFORD, NEW HAMPSHIRE**

The MODERATOR called the meeting to order at 7:10 P.M. and announced that anyone wishing to speak should first identify themselves, speak loudly and clearly so that they could be heard, and to yield the floor to those who have not yet had a chance to speak.

The MODERATOR then announced the reason for the meeting, which was to reconsider Article 1. He read Article 1 verbatim and in its entirety to the assembled and he then asked for discussion.

BILL LORD asked that attention be directed to the pink sheet which was handed out just before the start of the meeting, and specifically the area marked "Source of Funds". He went on to briefly explain the need for the addition, anticipated costs of \$55.00/sq. ft., and projected completion dates. Additionally, he indicated the source of funds are four:

1. Borrowing of \$105,000 at 5.5 percent interest for four years;
2. Withdrawing \$27,000 from the capitol reserve fund;
3. Transferring of \$26,000 in surplus funds in a building fund project just nearing completion;
4. Re-allocation of \$7,000 from a current budget.

He continued by explaining the need for the addition has been brought on by very rapid student population growth in the last two years, and that trend is expected to continue into the foreseeable future. He asked that the assembled consider the needs of the children when voting.

The MODERATOR asked for discussion. JOHN O'BRIAN asked if there were any State or Federal funds available for the project, to which Mr. Lord responded that if the building were built in compliance with Federal guidelines, the District would be entitled to receive in

building aid approximately 30 percent of the figure of \$165,000, or approximately \$50,000 in revenue over a five-year period. DAVID EARL asked if the 30 percent had been figured in the totals being discussed at the present meeting. BILL LORD replied that the 30 percent has not been reflected in the figures under discussion, and stated the money will be used to offset the amount of money raised by taxes.

There was DISCUSSION between the Board and the audience with regard to present utilization of the school rooms.

JEAN COUSTEAU asked if there would be expenses over and above the \$165,000, for example, new teachers, and Bill responded that the teachers had already been hired to fill the new classrooms, or alternatively, classes in other areas of the building, such as the library and/or gymnasium. Other costs factored into the figure of \$165,000 included \$4,000 for heat and electricity.

There was a brief discussion regarding the type of petitioning in the gymnasium which might be necessary should the article fail, and the need for more cafeteria space which would impinge on floor space in the gymnasium.

LESTER HUCKINS asked Bill Lord to indicate on the blackboard the breakdown of teacher assignments, where they will be located, student population per classroom and the like. Mr. Lord responded by indicating current enrollment and anticipated enrollment through all the grades and how those figures were affected by State standards. He indicated the school now has 13 classrooms and a 14th for special education needs, and indicated that by the Fall of '87, the Board was expecting a need for 15 classrooms, plus special education rooms.

PAUL ST. CLAIR initiated a discussion regarding State standards as they apply to minimum classroom size and maximum students per classroom. MR. ST. CLAIR asked if the Town is obliged to meet these State standards, to which Mr. Lord replied it would be necessary in order to qualify for 30 percent State funding.

TERESA HODGES suggested the gymnasium be divided now, and that the town wait a couple of years to begin discussion on the building of a new school. Mr. Lord indicated that alternative would not provide enough space to adequately provide for special education needs, that the number of State and Federally mandated programs has grown dramatically in recent years and to which Towns are required to respond. The Town of Strafford has responded by using closets as special education rooms and by dividing classrooms, and there is no space left to be utilized in any way.

LAWRENCE BROWN initiated discussion relative information he heard that the State would not allow further expansion of the existing school facility. Mr. Lord indicated the problem is with the septic system, and that whether or not an addition is built, waste will continue to be produced. HERBERT CLARK asked if there is enough room for expansion of the school through ten years hence, to which Mr. Lord indicated in the negative, and said that the goal of the present meeting was to take care of the immediate needs of the children over the next two years, and that the needs beyond that were a much larger issue to be addressed in the future. A lengthy DISCUSSION continued on the topics of projected population increases, land search committees, future scholastic needs, and future new-building construction. There was also discussion regarding the loss of space in the gymnasium and where the townspeople will gather for future meetings.

JOHN COSTA wanted to know why the Board was asking for additional space in 1987 when the same Board was asking for and received additional space in 1986, and why shouldn't modular space continue to be utilized. Mr. Lord responded that electric bills for heat were in the range of \$455 a week, and that rental for one year for two modulars was costing the Town \$63,420.00, and that it would be cheaper to build additions than continue with modulars. Mr. Lord reiterated that due to the number of building permits approved, the

Board projects substantial increases in student population, and the Board is responding to those future needs by asking for money with which to pay for extra classrooms. He defended the accuracy of future projections by stating that the figures the Board was working with three years prior were accurate to within one student.

MARY DAVIS initiated a discussion regarding current utilization of the school's floor plan.

BOB DOLAN asked if any consideration had been given to the concept of double sessions for the students. Mr. Lord indicated his dislikes for the idea, and deferred to SUPERINTENDENT CLOUGH for his comments. Mr. Clough reported the experience of Spaulding High School when it was involved with double sessions, the late hours, the reduced instructional time, and other shortcomings.

BILL WILLIAMS commented he has never objected to paying for the education of students, but that he is now on a fixed income and cannot afford further increases in taxes. MR. LORD responded by indicating the Board is charged with providing quality education for students within the Town. He also indicated that it has come to pass in the State of New Hampshire that the dollars for education are raised by local taxes, and that concept places a much greater burden on property owners.

CHARLES DUNHAM initiated further discussion regarding the student/teacher ratio, and reiterated the concerns of MR. WILLIAMS. Mr. Lord indicated the Town wishes to stay within the State guidelines. MR. DUNHAM commented the State does not back up its regulations with financing.

THE MODERATOR asked for further discussion.

DIANE LOTZ commented that in her experience there was no difference in the quality of education to students attending double sessions.

PEG JENISH commented that it was inappropriate to ask the students of Strafford to be victims of an unfair taxation system and unchecked growth, and she pointed out a large difference between sending high school students on double sessions and sending 6 and 8-year olds. She indicated stopgap measures will eventually cost more than a permanent addition, and generally urged an affirmative vote on the article to help meet the needs of Strafford's school children.

Mr. Lord anticipated an increase of \$.40 to \$.50 per thousand to the tax rate based on a four-year note, excluding State aid. An outright building would add roughly \$2 per thousand to the tax rate this year, and then in each of the next five years, \$10,000 would be forthcoming from State aid which would be used to defray taxes. PEG JENISH then asked the MODERATOR about the possibility of making a motion that the costs of the addition be paid for in one year, and discussion followed on that topic.

PEG JENISH made a motion to reword the amendment to provide that the expenditure of \$165,000 be paid for in one year, which was recognized by the MODERATOR who asked for a second. SECONDED by an unidentified speaker. THE MODERATOR asked for discussion.

GEORGE WALDRON inquired whether the article required a two-thirds vote, and the MODERATOR responded that the bond issue takes a two-thirds vote, but the motion to amend requires a simple majority. This concept was challenged by MR. WALDRON, and discussion followed. The MODERATOR repeated that any discussion at this point should be confined to the motion to amend made by MISS JENISH.

AL SUWICKY initiated further discussion about the alternatives to new construction and colloquy continued as to population projections, and the likelihood of a request by the Board in the future for a new school building. It was indicated at this point that a 44 percent increase in population is expected in Strafford County in the next ten years.

LESTER HUCKINS commented that the Town is just making its first payment on the last addition, plus interest which will be close to a \$3 increase on the tax rate, plus \$2 for current

operating expenses of the school district, indicating a substantial rate increase already voted, and he suggested spreading the costs of the latest proposal over four years. There was further discussion between BILL and LESTER regarding implementation of the Town's growth ordinance.

An UNIDENTIFIED SPEAKER MOVED the question, which was SECONDED by another unidentified speaker. THE MODERATOR recognized the motion and second, and announced that a two-thirds vote is necessary to move the question. The vote was taken and it was in the AFFIRMATIVE. The question was moved. THE MODERATOR announced the assembled are voting on the amendment to raise \$165,000 in one year to be used for the addition to the school as outlined at the present meeting. A vote was taken, and it was in the NEGATIVE. THE MODERATOR announced the main question is to vote on Article 1 as read, which requires a two-thirds vote by secret ballot, and asked for further DISCUSSION.

IRMA CLARK made a MOTION to move the question which was SECONDED by an unidentified speaker. THE MODERATOR recognized the motion and second and reminded the assembled of a requirement for a two-thirds vote.

KEN LURVEY called a point of order to indicate that some people had not yet obtained pink cards. The MODERATOR suggested those wishing to vote obtain their pink cards immediately. MR. LURVEY also asked for an explanation of the purpose of the vote. THE MODERATOR indicated that pending was a motion to move the question which takes a two-thirds vote. If in the affirmative, a vote will then be taken on Article 1 as read, which is to raise \$165,000 for an addition to the Elementary School; vote required is two-thirds and taken by secret ballot. The MODERATOR asked for a vote on the issue of moving the question. There was one opposed. Vote was in the AFFIRMATIVE. The MODERATOR explained again the procedure to be followed for a vote on Article 1. It being a secret ballot, the polls were opened at 7:54 P.M. Before closing the polls, the MODERATOR asked if everyone had a chance to vote. Hearing from no one, the MODERATOR closed the polls at 9:07 P.M. The supervisor of the checklist proceeded to count the ballots. The MODERATOR announced the results of the vote: 331 votes cast; 189 in the affirmative and 142 opposed. Needed for two-thirds: 221. The MODERATOR declared the article lost.

An UNIDENTIFIED SPEAKER made a motion to reconsider Friday next, same time, same place. The MODERATOR indicated that State law gives townspeople the right to vote for reconsideration, and announced he was in receipt of a petition signed by many residents requesting that there not be a reconsideration, regardless of the vote. The petition was addressed to the MODERATOR and the School Board. His announcement immediately prompted discussion from the floor. The MODERATOR indicated on several occasions he felt he did not have authority to act on the petition, and indicated State law provides that people have the right to vote as many times as they wish to reconsider. The MODERATOR asked for a SECOND to the motion, which was made by an unidentified speaker. GEORGE WALDRON challenged the motion by the unidentified speaker. The MODERATOR explained that he could not challenge a vote taken by secret ballot.

An UNIDENTIFIED SPEAKER asked if the vote to reconsider required a two-thirds vote, to which the MODERATOR responded a majority vote was all that was necessary. The MODERATOR explained a vote was about to be taken on the motion to reconsider Article 1, and reiterated the purpose of Article 1. There was discussion concerning the affect of voting on the motion to reconsider, about the practical aspects of voting down Article 1 by voting down the motion to reconsider. Mr. Lord reminded the assembled of the anger which followed the decision not to purchase Austin Cate, and urged everyone to act calmly and in the interests of the children. He also reminded the assembled that time was running short in which to complete the addition for a Fall opening.

JIM FOSS voiced opposition to dividing the gymnasium, and invited anyone to research

the intention for building the gymnasium, which was funded beginning in the 40's and which has become known as the Veteran's Memorial Gymnasium, and MR. FOSS announced his intention to sue the school board if the gym were divided. The MODERATOR asked for any other DISCUSSION on the motion. There being none, he called for a vote on the motion to reconsider. A VOTE was taken, and it was in the NEGATIVE, and the MODERATOR announced the motion lost.

A Motion was made to adjourn. The meeting was adjourned at 9:40 P.M.

Respectfully submitted,
Bob Perry, School Clerk
